TRAINING & LIVE PROJECT EXPERIENCE

TOPS Technologies — Digital Marketing Training & Live Projects | Ahmedabad | 2026-Present

- Completed hands-on work across SEO, social media marketing, content marketing, paid advertising, e-commerce, and digital campaign planning.
- Performed website and technical SEO audits using Screaming Frog, GTmetrix, and supporting SEO tools; documented issues and prioritized recommendations.
- Created audience research, competitor analysis, platform strategy, keyword planning, ad structures, budget allocation, retargeting, KPI, and optimization plans for a paid campaign.
- Produced SEO-focused long-form articles on AI Overviews, workflow automation, digital marketing strategy, and AI governance.

SELECTED PROJECTS

Khabar Khojo — Technical SEO & Screaming Frog Audit

- Crawled and reviewed website URLs for indexability, status codes, title tags, meta descriptions, H1s, canonical tags, robots directives, and other technical/on-page factors.
- Identified indexability and on-page issues and organized findings into actionable SEO recommendations. khabarkhojo.com

Kali Mantra — SEO Audit & Issue Prioritization

- Audited 83 pages across title tags, meta descriptions, H1s, heading hierarchy, internal linking, schema, sitemap, robots.txt, redirects, CTAs, speed, and mobile-friendliness.
- Found titles over 60 characters on 73 of 83 pages, plus missing metadata/H1s, inconsistent WhatsApp CTAs, and sitemap/robots.txt concerns; organized fixes into a P1/P2/P3 framework.

IICT India — n8n Training Paid Campaign Strategy

- Built a full-funnel Meta and Google Ads plan covering audience segments, competitors, keywords, ad formats, landing-page requirements, retargeting, KPIs, A/B testing, optimization, and reporting.
- Developed a first-month budget framework of ₹50,000 with campaign-level allocation and multi-city audience targeting across India.

Content Marketing Portfolio — Multiple Brand/Business Projects

- Created long-form articles for TrendChaska, Vyaaptam, The Mendes Legal, and n8n-related content, applying search intent, structured headings, readability, and keyword-focused topics.

PERSONAL PROJECTS

SS Pan Parlour — Business Landing Page: Designed and developed a clean local-business landing page to improve customer-facing information. [View project](#)

Birthday Invitation Page: Created a personalized, visually engaging event landing page as an independent web project. [View project](#)
